

Certificate of Achievement

This certificate is awarded to:

John DeGennaro

For successful completion of Lion Technology's:

Hazmat Air Shipper Certification (IATA) Webinar

This one-day training is designed to satisfy the function-specific training requirements of 49 CFR 172.704(a) and IATA DGR 1.5.1.2 for typical managers and supervisors of dangerous goods air shipping operations.

Successful completion includes attaining a passing grade on the final proficiency test. IATA requires recurrent training for personnel involved in the transport of dangerous goods within 24 months of their previous training [IATA DGR 1.5.1.3].

on

May 14, 2026

Training was conducted by Lion Technology Inc., 570 Lafayette Rd., Sparta, NJ 07871 (973-383-0800).

0.7 CEUs awarded

NEHA Authorized CE Contact Hours: 6.5
