

Certificate of Achievement

This certificate is awarded to:

Gary Endrikat

For successful completion of Lion Technology's Online Training Program:

Hazmat Ground Shipper Certification (DOT) Webinar

This two-day training is designed to satisfy the general awareness, function-specific, and security awareness training requirements of 49 CFR 172.704(a) for typical managers and supervisors of hazardous materials transportation functions.

Successful completion includes attaining a passing grade on the final proficiency test. The US DOT requires training for hazmat employees no later than three years from the anniversary date of their previous training [49 CFR 172.704(c)(2)].

on

May 20, 2025

Training was conducted by Lion Technology Inc., 570 Lafayette Rd., Sparta, NJ 07871 (973-383-0800).

1.3 CEUs awarded
